Unparalleled Access, Unmatched Value

DISH doesn't just provide the best programming and equipment available, it also provides access that cannot be matched by any other provider. Through www.dishanywhere.com and the DISH Anywhere app for smartphones and tablets, customers can access all of their content—live and recorded—anywhere they have access to the Internet. The DISH Explorer app provides a second-screen experience second to none and allows users to view their programming guide, interact with live social media streams, and view live sports scores and stats. Best of all, access to all this great technology is included with any DISH subscription!
